

Exit 16 DDI

Diverging Diamond Interchange

Coming soon...

Vermont's first Diverging Diamond Interchange (DDI) will enhance mobility and safety along US Routes 2/7 at I-89 Exit 16 in Colchester.

The DDI is designed to relieve traffic congestion and increase safety for motorists, bicyclists, and pedestrians.

Construction began in Winter 2023 and is anticipated to be completed by Fall 2026.

For more information scan the QR code to visit the website. Have questions? Call the 24-hour project hotline or email

Innovation happens here, in Chittenden County.
